Chameleon®
Retractable Hose System

Whole-House Cleaning Convenience with Chameleon® Retractable Hose System

i HEALTHIER LIVING, CLEANER INDOOR AIR
Dirt Devil® removes **100%** of all vacuumed dirt, dust and allergens from your home, keeping it from recirculating back into the air you breathe, reducing allergy symptoms up to **61%**!

i POWERFUL CLEANING PERFORMANCE
With up to **5 times** more power than uprights, Dirt Devil® delivers maximum cleaning power every time you vacuum.

i RETRACTABLE CLEANING CONVENIENCE
A Chameleon® Retractable Hose System stores up to 50' of retractable hose in vacuum tubing in the wall, so there's no bulky hose to carry around or store. Chameleon is convenient, instantly accessible and fast – simply lift the lid, pull out the hose, and when vacuuming is done the powerful suction automatically retracts the hose until needed again. One hose covers up to 2,200 sq. ft.!

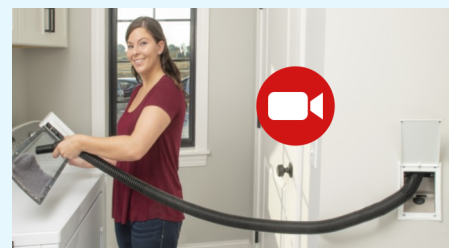

• **HIGH-QUALITY PRODUCT, ADDS VALUE**
Proven high-quality products since **1955**, Dirt Devil® increases a home's resale value, extends the life of furnishings and carpets, improves indoor air quality and saves you time.

The Ultimate Cleaning Experience

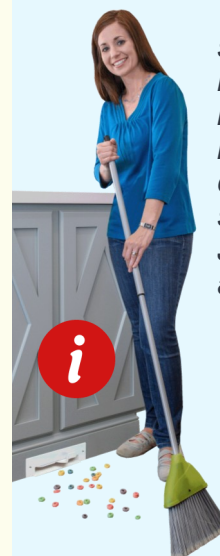

Cleaning convenience is yours with a Chameleon® retractable hose system backed by a powerful Dirt Devil® 990 power unit and a premium cleaning kit.

Quick-Clean Options

▲ **SPOT**
stores up to 15' of retractable hose in vacuum tubing in the wall for convenient on-the-spot cleaning. Just pull, vacuum and retract!

◀ **VAC PAN**
gives a broom the power of a central vacuum with a tap of your foot.
